

# FMR LIGHT MULCHER

INNOVATION FOR GROWTH.

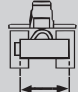

# FMR LIGHT MULCHER

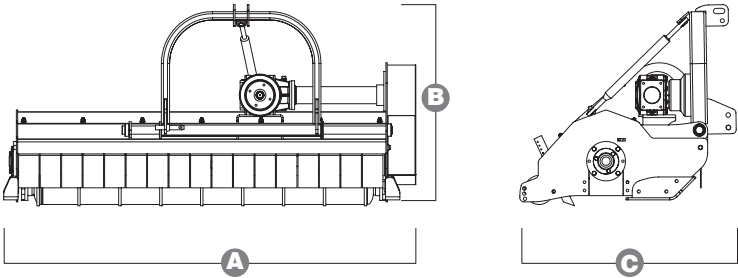

The Light offers many features which make it the ideal choice for the small vineyard or lifestyle property with widths available from 140cm-180cm. The 115mm rotor diameter allows you to clean up pruning material while the fine cut of the hammer flail allows you to mow your outer lawns or paddocks with ease.

## STANDARD EQUIPMENT AND FEATURES:

- 3-point linkage on heavy zinc bar
- Mechanical offset with handle
- Free-wheeling gearbox to reduce stress on driveline
- Heavy duty flail mountings
- 140mm back roller with scraper
- Full length skid set with bearing protection
- Opening rear door for inspection
- Rear collection rakes
- Driveshaft with shear pin
- 5mm Domex™ steel body
- Note: all models are supplied with hammer flails unless specified with blades in the order
- Optional:
  - Twin skin body with bolt in plate
